Studies conducted by
The Futurum Group

*Faster. More Productive.
That's SAS Viya and the
Health care stakeholders who use
it.*

The performance of SAS Viya was impressive, they didn't just outperform competing AI/ML libraries, they crushed the competition.

Russ Fellows,
Principal Analyst, The Futurum Group

PERFORMANCE

30x
faster

Faster time to insights
Lower cloud costs

PRODUCTIVITY

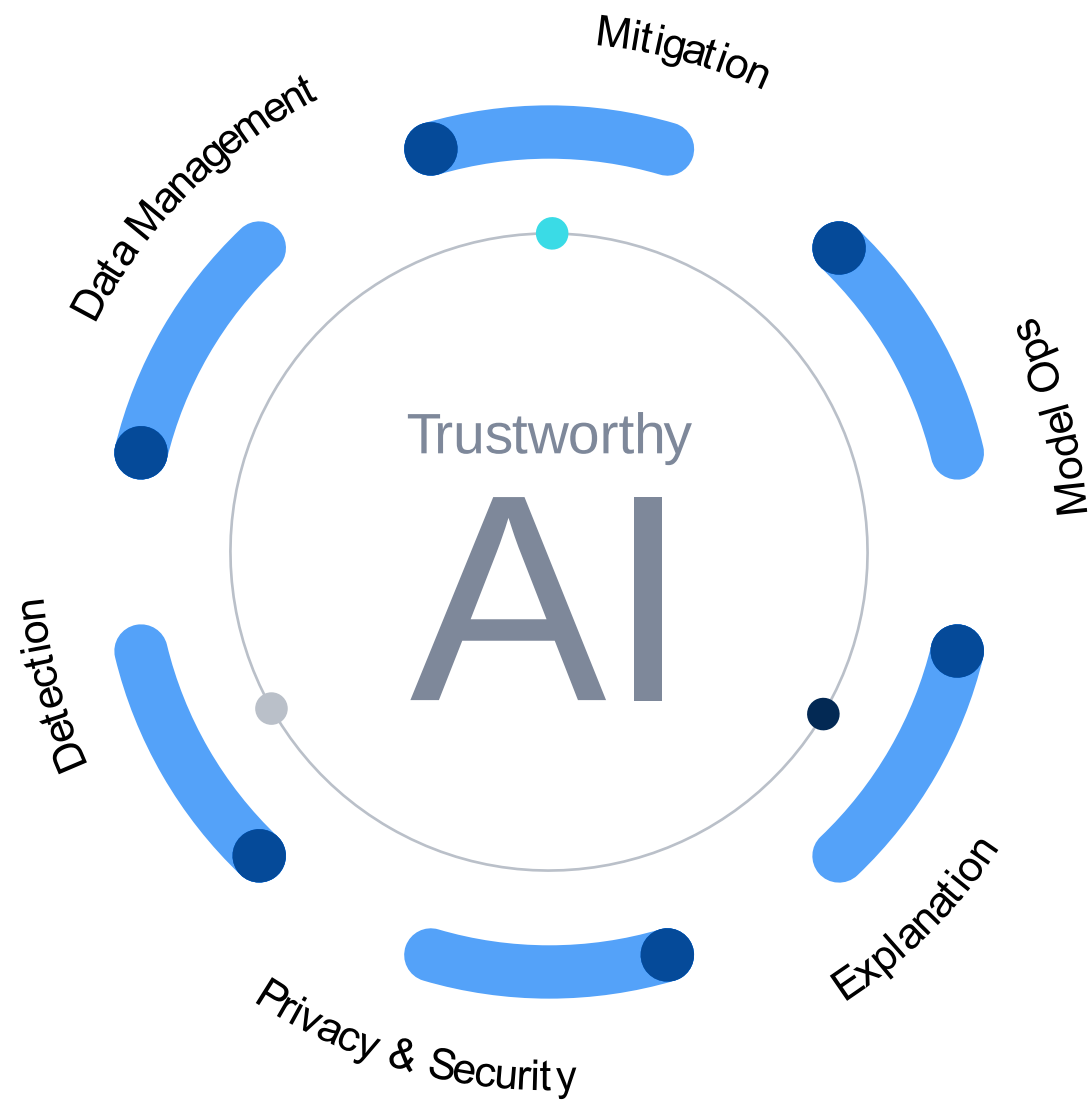

over 4x
more productive

Competitive advantage

READ THE
REPORTS

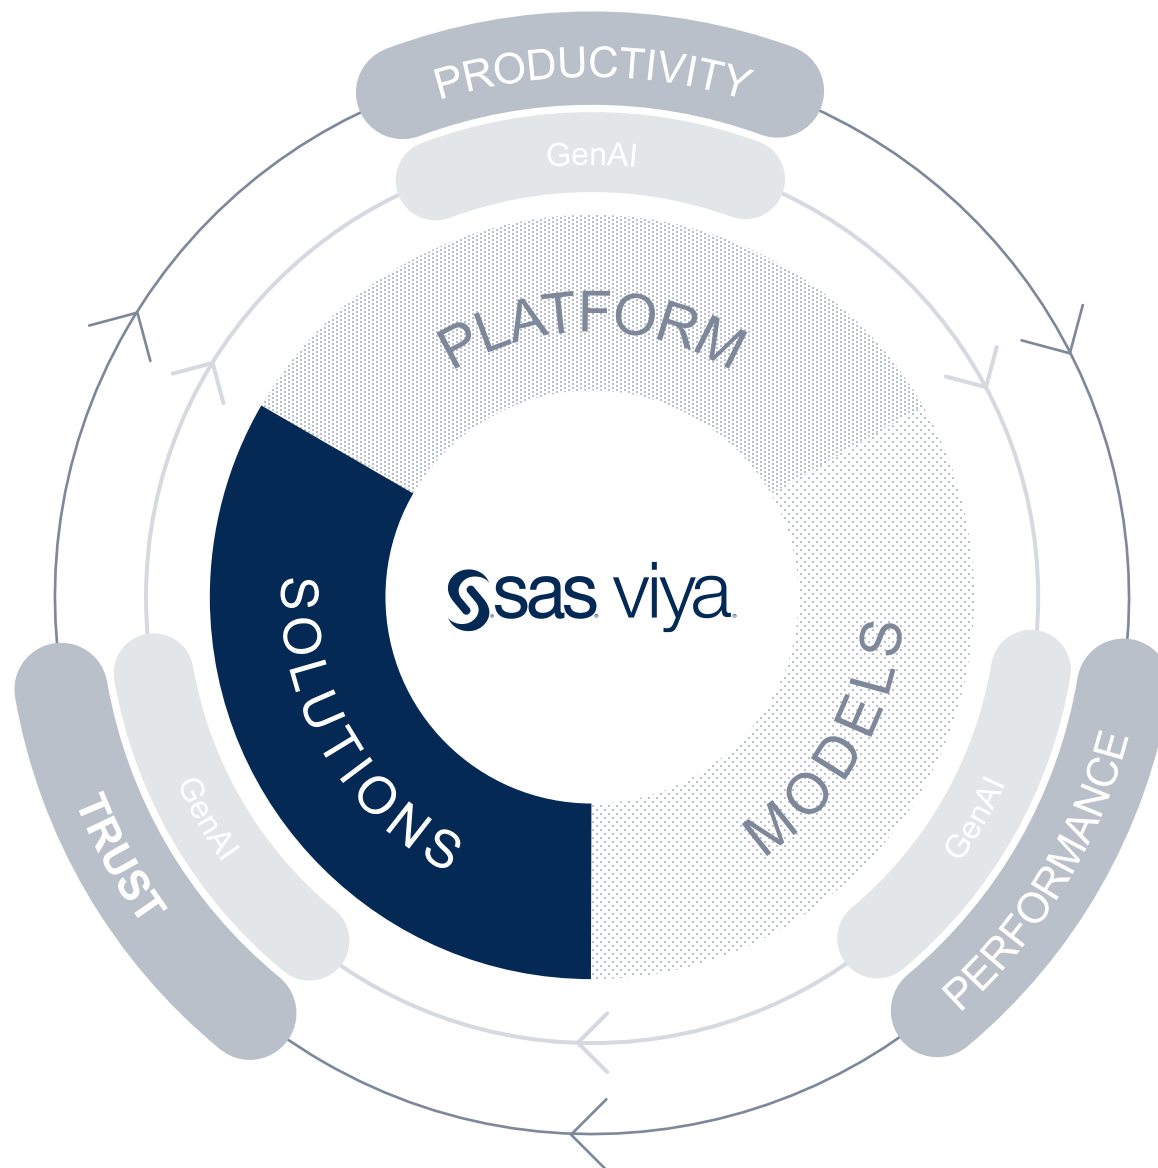

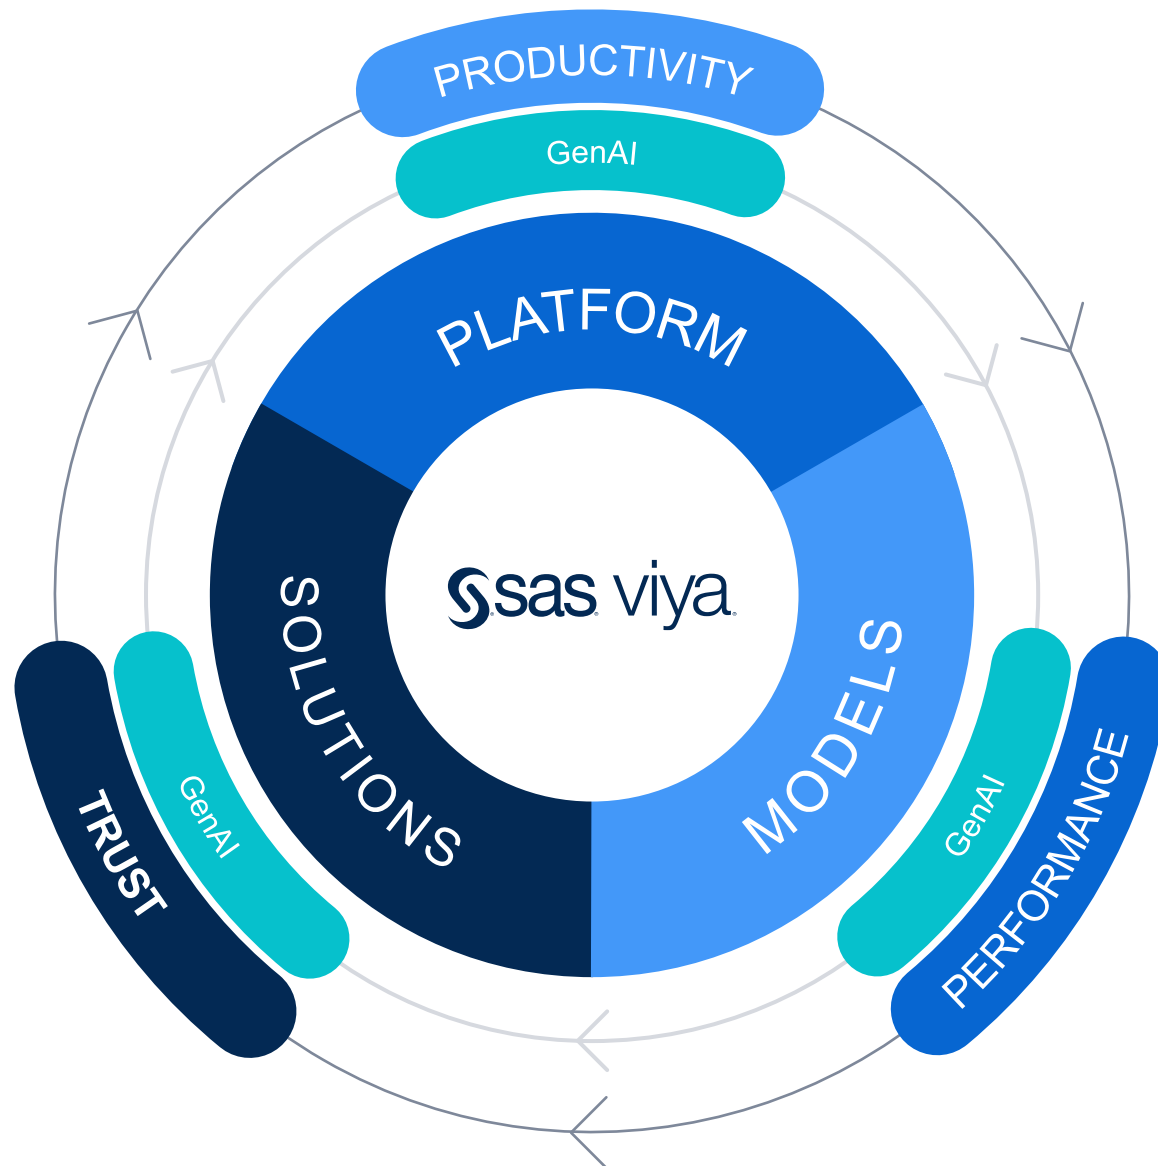

The logo for sas viya is centered in the image. It features the word "sas" in a white, lowercase, sans-serif font, followed by a registered trademark symbol (®). To the right of "sas" is the word "viya" in a white, lowercase, script font, also followed by a registered trademark symbol (®). The background is a dark blue gradient with a complex, glowing geometric pattern of white spheres connected by lines, creating a sense of depth and connectivity.
